Topic Series: 'Christian's Time' seeks to encourage a conversation about 'What does it mean to be a Jesus-follower in the various activities that occupy our 168 hours each week. Specifically, this will look at our time in sleep (often overlooked), our time in our job/occupation/vocation including retirement, (three sessions), and our time in leisure.

What are some of the issues that you wrestle with being a Christian in each of these?

Services start at 10:30am on **1st and 3rd Sundays each month** at Avalon. **5th Sunday** locations for Wild Church as advised.
